

Dear CMC Member,

Thank you for your interest in using COMSOL Multiphysics through CMC Microsystems. The purpose of this license is to support CMC Members in their educational activities and academic research activities in the microsystems field, and certain restrictions therefore apply.

- The license is subject to the COMSOL License Agreement, including applicable addenda, including the Academic Addendum ([www.comsol.com/sla](http://www.comsol.com/sla)).
- The license is further restricted to be used for only for your microsystem related academic research and educational activities.

We are asking that you confirm, by signing this letter, that the COMSOL Multiphysics License you are obtaining from CMC Microsystems will be used in accordance with the COMSOL License Agreement, including the Academic Addendum.

Please send the signed letter to:

Licensing Administrator  
COMSOL, Inc.  
1 New England Executive Park  
Burlington, MA 01803  
USA

While we do require that you return the hard copy of this document via Mail, in the interim we encourage you to also send us an electronic copy (for faster processing).

Please email your scanned form to:

To: [cmc-license@comsol.com](mailto:cmc-license@comsol.com)  
Cc: [licensing@cmc.ca](mailto:licensing@cmc.ca)

or fax the letter to: +1-781-273-6603, ATTN Licensing Administrator.

If you have any questions regarding this document, please contact COMSOL at the details below.

Phone: +1 (781)-273-3322  
Email: [cmc-license@comsol.com](mailto:cmc-license@comsol.com)

Sincerely,

Susanne Kimball  
Licensing Manager  
COMSOL, Inc.

Cc: Linda Dougherty, CMC  
Cc: Mia Johansson, COMSOL Representative

The undersigned hereby represents and warrants the following:

- Hereby, the below mentioned Canadian Academic Institution (“Institution”) confirms that all benefits of the COMSOL Multiphysics License and all modules, upgrades and additions obtained through CMC Microsystems will be used in accordance with the COMSOL License Agreement, including the Academic Addendum. The COMSOL License is to solely be used in support of academic research activities and teaching. Use of the license for commercial, contractual or governmental purposes is expressly prohibited.
- The COMSOL Multiphysics license is further restricted to be used only for your microsystem related academic research and educational activities.
- The below mentioned CMC Member confirms that all software or downloads from the COMSOL Multiphysics License and all modules, upgrades and additions associated with CMC Microsystems will remain owned by CMC Microsystems.
